

**REMARKS**

Claim 58 is amended. Support for the amendment language is provided by exemplary embodiments of the originally-filed application, for example, pages 14 and 18.

The Examiner is requiring restriction under 35 U.S.C. §121 to elect a single disclosed species between: Species 1, as illustrated in Figs. 13-16; Species 2, as illustrated in Figs. 17-21; Species 3, as illustrated in Figs. 22-25; and Species 4, as illustrated in Figs. 26-29.

Applicant hereby elects species 4 directed to Figs. 26-29 for prosecution. Claims 49-69 read on species 4. Therefore, Applicant requests prosecution on the merits for claims 49-69.

This application is now believed to be in immediate condition for allowance, and action to that end is respectfully requested. If the Examiner's next anticipated action is to be anything other than a Notice of Allowance, the undersigned respectfully requests a telephone interview prior to issuance of any such subsequent action.

Respectfully submitted,

Dated: 1-14-05
